This is to certify that the organization

**Dickson Testing Company Inc.**

11126 Palmer Avenue, South Gate CA 90280, USA

has been granted approval to  
**voestalpine BÖHLER Aerospace Quality Standard QS-Z1/7**

Scope of Approval:

**Materials Testing**

This Approval is based on:

**Supplier Self Assessment 2023-08-17**

**A2LA - ISO/IEC 17025:2005 Certificate No 1772.01 and 1772.02**

**PRI NADCAP - Approval for Materials Testing Certificate No 3619214052**

voestalpine BÖHLER Aerospace reserves the right to perform evaluation of the completion of the CAR issued by Other Parties Certification bodies and to verify the QS-Z 1/7 Requirements and to perform product audits to verify compliance with voestalpine BÖHLER Aerospace Requirements. Other Party Approvals do not relieve the supplier to follow QS-Z 1/7. Other Party Approvals mentioned above must be maintained by the organization to keep valid this certificate and updated certificates must be submitted to voestalpine BÖHLER Aerospace. In the case of any cancellation or change of the status of these Other Party Approvals or other approvals relating to the scope of approval, voestalpine BÖHLER Aerospace must be informed immediately.
