Southgate, CA 90280

ATTENTION: Patrick Chung

SUBJECT: Supplier Survey of 26 April 2001

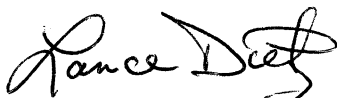

Dear Mr. Chung;

This acknowledges that we have surveyed your facilities and examined your processes. We find your equipment, process controls and Quality system to be in accordance with our requirements. You have therefore been qualified as an approved supplier until re-surveyed. Special processes for which you have been approved are listed on the attached page.

Your qualification for the manufacturing and/or processing of Kaman parts is subject to periodic reviews. It places upon you the responsibility for adherence to all applicable Kaman specification requirements. It does not imply or guarantee that parts manufactured or processed by you are acceptable to Kaman. Violation of any requirements may result in cancellation of this qualification. Kaman approval must be obtained before subjecting our parts to any processes and/or services for which you have not been qualified.

Very truly yours,

KAMAN AEROSPACE CORPORATION
